Via Alto Adige 60/ Südtiroler Straße 60, I-39100 Bolzano-Bozen Tel. +39 0471 307 000 info@bolzano-bozen.it www.bolzano-bozen.it

Bolzano è una città giovane, vivace e dinamica, merita una visita in ogni stagione. Le sue diverse anime si incontrano, si affiancano, vengono sprigionate in ogni scorcio e conferiscono alla città un fascino unico: a Bolzano il Nord incontra il Sud, le peculiarità italiane si mescolano a quelle tedesche, la Mitteleuropa incontra il fascino mediterraneo.

La vivacità cittadina è sicuramente dovuta alla prosperità e alla felice collocazione, ma anche alla laboriosità della gente. I quartieri sono curati, i fiumi intrecciano una tela con i preziosi filari di viti, con gli oltre quaranta chilometri di ciclabili, ben due funivie che portano gli ospiti in pochi minuti a percorrere 800 m di dislivello. Bolzano trasmette cultura attraverso la vitalità delle sue lingue: italiano, tedesco e ladino, ma anche grazie alla straordinaria concentrazione di musei, all'atmosfera del centro storico medievale, al sovrapporsi di stili architettonici di varie epoche.

Che dire poi della proverbiale ospitalità: alberghi con parchi e comfort di classe nel centro storico, i caffè, le pasticcerie, le locande storiche nelle quali vengono serviti i migliori vini dell'Alto Adige, le birrerie artigianali...

Bozen ist eine lebhafte und dynamische Stadt am Schnittpunkt von zwei Kulturen. Eingebettet in einer wunderschönen Naturlandschaft, wartet sie in jeder Jahreszeit auf einen Besuch. Hier treffen Nord und Süd zusammen, mit mediterranem Flair und alpenländischem Charme. Besonders faszinierend ist das Aufeinandertreffen mehrerer Sprachen: In jeder Ecke spricht man Deutsch und Italienisch, manchmal auch Ladinisch; genauso sind Sprachen wie Englisch und andere Weltsprachen zu hören.

Das milde Klima, die sanften Weinberge, welche die Stadt umgeben, die gepflegten Stadtviertel mit über 40 Kilometern Fahrradwegen, die zwei Seilbahnen, die in Minutenschnelle auf die umliegenden Hochplateaus führen, das lebhafte Treiben auf den Märkten, das mittelalterliche Flair der Altstadt, die Museen und Burgen, die qualitativ hochwertigen Hotels, das attraktive gastronomische Angebot, die lokalen Produkte, die eleganten Geschäfte und Boutiquen, die zahlreichen Veranstaltungen... all das macht Bozen zu einer besonders gastfreundlichen Stadt für den internationalen Tourismus.

Bozen ist zu jeder Jahreszeit einen Besuch wert!

Bolzano is a young, dynamic and invigorating town that merits a visit in any season. Its exciting diversity, fabulous location, and pulsating range of tourist attractions make it a truly fascinating destination: in Bolzano, North meets South, Italian flair mixes with German rigor, and celebrates a coming together of cultures.

The fortune of nature has certainly blessed Bolzano with its location and is enhanced by the diligence of its inhabitants - the avenues, streets and squares are well taken care of; vineyards stand proudly on the hillsides, more than 40 kilometers of cycle paths grace the town and its outskirts, and two cable cars rapidly transport townsfolk and visitors to the inviting plateaus above 800 meters. Bolzano is also a linguistic hot spot with Italian, German, and Ladin spoken, adding to the rich cultural tapestry the city has to offer. Speaking of culture, the town is home to a wealth of museums and galleries, many of which are in the charming medieval town center.

Hospitality is an art perfected by the locals, and the choice of hotels in the town center and surrounding green areas is sure to impress. To complete your visit and make it truly memorable, be sure to enjoy the characteristic inns and bars of the historical center, each offering various specialties to delight your senses.

Bolzano is always worth a visit!

COME ARRIVARE | ANREISE | HOW TO GET HERE

Come Venezia sta sull'acqua, così **Bolzano sta sul vino**, un adagio significativo sulla quantità di vino custodito nelle profonde cantine dei Portici. Ma è tutta la città che parla di vino: dalle **colline del Santa Maddalena** i vigneti scendono per intrecciarsi con le case, da Gries le viti di **Lagrein** penetrano nell'architettura urbana formando un'unità imprescindibile.

Die Aussage „So wie Venedig auf Wasser, ist **Bozen auf Wein** gebaut“ vermittelt eine Ahnung von der Menge an Wein, die in den tiefen Kellern der Laubenhäuser gelagert wurde. Die Tradition des Weinbaus beeinflusst Bozen seit jeher und verleiht der Stadt einen ganz besonderen Charakter. Von den sonnenverwöhnten **Hügeln von St. Magdalena** reichen die Weinberge bis in das Stadtzentrum, in Gries vermischen sich die **Lagreinreben** mit der städtischen Architektur.

Venetian merchants used to say that if Venice floats on water, then **Bolzano floats on wine**, referring to the abundance of delights stored and maturing in cellars deep beneath the arcaded street (Portici). Vineyards extend high up the south-facing mountainsides and down into the heart of the town. The most famous wines include St. Magdalener, a fruity light red named after the **hamlet Santa Maddalena/St. Magdalena** overlooking the town to the northeast, and **Lagrein**, a full-bodied red from the town district of Gries.
